

**Julia Hernandez
Rotarian of the Month
December 2023**

In this season for celebration,

This Rotarian has certainly earned this highly acclaimed
citation.

Because she was so academically hip,

In her younger days, she received a Harrisburg Scholarship.

She has endured her Rotary training,

Without ever complaining,

As Sargent of Arms and Treasurer, she has served,

And done well as we all have observed.

Could you have done this, well maybe; but she did it while having a baby.

With all her talents in high demand,

She has proven to be Jorge's right hand man,

And perhaps is an omen, that the best man for the job is a woman,

Who did we select to be our next prez

Our Rotarian of the Month, Julia Hernandez.
