

Vicky Pink
Rotarian of the Month
August 2023

This Rotarian is a real beaut,
A Sidney Lacey recruit,
Just the lady you need for a photography shoot.
She and Karla were the team,
That brought Harrisburg the District Image Award and esteem.
And simply the best, when we need a photo op with a Rotary guest.
Inviting her charming grand daughter Hazel,
Bringing to our attention to that anemia that is Sickle Cell.
When the speaker committee guy is struggling with a plate full,
She has come through with some talent for which I am grateful.
Undeniably, you can count on her to be reliably,
Attending ever event with camera in hand,
Making us all look pretty, just like we planned.
Harrisburg would prefer to have more members like her,
Because the Rotarian of the Month must not only think,
But also say and do, which means you know who,
Is our honored Rotarian, Vicky Pink.
