

**Henry Buchanan  
Rotarian of the Month  
March 2024  
Rotary Club of Harrisburg**

This Rotarian steps up when most of us step back.

He'll keep that project on track.

Who hauled our Rotary meeting sign around forever?

Re-taking the Membership program was a graciously accepted last minute endeavor.

Run the raffle or something educational,

All done with his style I'll call quietly sensational,

You need something done around here,

Waiting for that Get R Done person to appear?

Someone upon whom can depend,

Always one person I would recommend,

It's undeniable, you call on Ol' Reliable,

You got a club project your plannin'

I'm pretty sure that will involve our Rotarian of the Month, Henry Buchanan.
